

Safer Stay

Rooms are **regularly sanitized with certified equipment**. In addition, according to availability we will do our best to assign you rooms that were not occupied in the 72 hours prior to your stay.

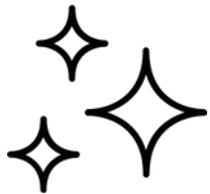

All **staff wears face masks**. In case you don't have them with you, a **Safety & Security kit is available at the reception** on request.

You will find **specific signs and directions** throughout the hotel **to maintain social distance**. In addition, the large spaces of our hotel will allow you to respect the safety distance.

Breakfast can be **delivered to your room or consumed directly at the breakfast room table**, in compliance with social distancing and sanitation guidelines.

All the rooms and **common areas are regularly sanitized** and you will also find in all the different common areas **stations with hand sanitizing gel**.

Our **Restaurant and Bar will help you finish the day with taste**. Here you will find courtesy combined with all the **attention and necessary measures**, even when you order room service.
